

Hello,

Data regarding COVID continues to be closely monitored. Due to a significant decrease in the number of positive cases Ida Elementary is modifying two of our COVID protocols.

1. Contact tracing will continue, but students in close contact at school will no longer be required to quarantine. If contacted, please monitor your child for symptoms.
2. The mask requirement for visitors to Ida Elementary is being lifted. Appointments will still be required for all visitors.

Thank you,
Stacy Maynard
Principal of Ida Elementary
