MEDICATION ASSISTANCE

MEDICARE PART D DRUG PLAN**1-800-MEDICARE****(1-800-633-4227)**www.medicare.gov

- Medicare contracts with insurance companies to provide drug coverage through Part D
- ***Open enrollment for current Medicare beneficiaries: Oct 15th– Dec 7th each year***
- When enrolling, have your Medicare card and list of prescription medications/dosages with you

2018 Part D Plan Specifics:

- During the initial coverage phase, you pay a [co-payment](#) and your Part D drug plan pays its share for each covered drug until your combined amount (including your deductible) reaches \$3750.
- Once you and your Part D drug plan have spent \$3750 for covered drugs, you will be in the coverage gap, also called the “donut hole”. For 2018, the copay for covered brand-name prescriptions is 35% of the cost; covered generics copays are 44% while in the “donut hole”.
- When you spend more than \$5000 out-of-pocket, the coverage gap (donut hole) ends and your drug plan pays most of the costs of your covered drugs for the remainder of the year. You will then be responsible for a small copayment. This is known as catastrophic coverage.

MEDICARE PART D “EXTRA HELP” with Part D Prescription Drug Costs

- Medicare Part D recipients may qualify for lower drug co-pays and a reduced or waived Part D premium. The income and financial asset limits for **2018** are as follows:
 - For single persons: annual income below \$18,090 and assets less than \$13,820
 - For a married couple: combined annual income less than \$24,360 and combined assets below \$27,600.
 - There is no coverage gap (donut hole) with the Extra Help benefit.
- For **2018**, if you qualify for “Full Extra Help”, costs for generics are no more than \$3.35 and brand name \$8.35.
- Apply on line at www.socialsecurity.gov or call the Area Office on Aging at 419-382-7060.
- **Note:** Applying for the “Extra Help” does not enroll a patient in the Medicare Drug Plan. Medicare recipients still have to enroll separately in a Part D plan.
- **For assistance in enrolling in the MEDICARE PART D “EXTRA HELP” program, contact the Area Agency on Aging 1B at 1-800-852-7795**

NOTE: applying for the “extra help” does not enroll a patient in the Medicare Drug Plan. Medicare recipients still have to enroll in a Part D plan.

PELL GRANTS

The below excerpt was taken from: Federal Student Aid, An Office of the US Department of Education <https://studentaid.ed.gov>

Federal Pell Grants usually are awarded only to undergraduate students who display exceptional financial need and have not earned a bachelor's, graduate, or professional degree.

A Federal Pell Grant, unlike a loan, does not have to be repaid, except under certain circumstances.

How do I apply?

You should start by submitting a Free Application for Federal Student Aid (FAFSA®) form. You will have to fill out the FAFSA form every year you're in school in order to stay eligible for federal student aid.
