Where Learning Strikes

FROM THE SUPERINTENDENT

Dear Ida Community:

As we conclude this school year, I want to thank all of you for your continued support and commitment to our student’s education and growth. This year has been filled with countless achievements, memorable moments, and remarkable progress that highlight the efforts of our dedicated teachers, staff, parents, and students.

I am honored to be a part of a community that rallies around an elementary student who faces the unimaginable. When you set a foundation like this, it is unsurprising that a group of Ida 8th-grade students instinctively stopped to show their respects during the 21-gun salute at Arlington Cemetery, something their tour guide had never

witnessed. These adolescents grow into the young adults that fill our hallways and help us move the high school forward, evident in the successful adoption of two state-approved CTE courses, opening the doors for many of our students. I am immensely proud of our achievements and look forward to our continued growth and success.

Thank you for an incredible first year; I look forward to continuing to serve the Blue Streak community, bringing new programs and ideas, and building on the traditions that make Ida Public Schools the place to be!

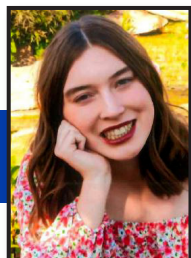

Have a great summer,

David Eack
