New and current members of the Ida Chapter of the National Honor Society

The Carsten Connection

The Holiday Season provides a great time to relax, reflect on past accomplishments and re-energize ourselves to work toward future goals. I am very proud of the students within the corridors of Ida Public Schools. They continue to raise the bar of success to new levels. From an academic standpoint the juniors at Ida High School have led the county with average SAT scores of 1070, 1070 and 1051 over the last three years. Our averages place the high school among the leaders in the entire State of Michigan. Our student NWEA and M-STEP scores across all grade levels are typically well above State averages and reflect well on our students, school district and greater community. From an athletic standpoint our students are excelling. In just the last four years we have won many league and district titles such as:

Football	two league championships, two district championships, four-time state qualifier
Volleyball	two league championships, two district championships
Golf	state qualifier one time
Basketball	one league championship, three district championships
Track	three league championships, two regional championships
Baseball	one district championship
Softball	two league championships, one district championship, one regional championship, one state championship
Wrestling	twelve individuals have qualified for the state tournament

The band program is our flagship co-curricular experience for kids with almost 20% of our student body participating. Mr. Bennett does a superb job as our various bands consistently earn top marks at competitions and perform in many venues throughout the school year. Likewise, Margie Thomson has been directing our two annual drama productions for over two decades. Over 50 students participate in those productions each semester. Their rendition of The Wizard of Oz was just performed a couple weeks ago. Join me in recognizing our students for their accomplishments and let them know how proud we are of their performance.

Our staff deserves special recognition as well. Each of the students within our corridors has a favorite teacher or favorite staff member that listens to their ideas, opinions and needs while establishing a professional yet personal rapport with them. The connections to adults within the school community is what makes Ida a special place to be. Our staff helps instill responsibility, trustworthiness, selflessness, and teamwork into each of the kids to help them navigate the world outside of Ida. Thank you!

*Christmas in Ida
A Division of The
Ida Civic Club*

Celebrating the 36th Annual Christmas in Ida Festival and Parade of Lights will present a weekend of festive family activities for the young and the young at heart Nov. 30 and Dec. 1, 2018. A complete listing of events is included on the following page.

The Christmas in Ida Festival began in 1982 sponsored by local area service organizations and businesses to share holiday cheer from small town America. Throughout the years, the festival and parade expanded into a weekend event that consistently draws over 49,000 visitors to the weekend festival and parade of lights.

The parade has attracted entries from Michigan, Ohio, Indiana, and Canada including national enterprises such as the Keebler Company, McDonalds Restaurants, Culligan Water Conditioning, Emergency Mr. Plumber, Detroit Edison, Dean Foods-Country Fresh Products, UPS, the Aquila & Michigan Gas Company, AM910 Radio Disney, Meijers, the Falun Dafa Parishioners of Toronto, Canada. Past personalities who have participated was the 2009 ABC Reality Show, The Bachelorette Jillian Harris and fiancé Edward Swiderski, Kay Lani Raftko, Miss America 1988; World Champion Boxer, Bronco McKart; Ernie, the Keebler Elf; Detroit Tigers, Paws; the Grinch; Louie the Lightning Bug; Big Bird, Ronald McDonald, the National Champion Owl Creek Clydesdales, Cherie, and Radio Disney artists JUMP 5, Everlife, Savvy & Mandy, Savannah Outen, Joey Page, and Miss Michigan K T Maviglia.

The Parade of Lights has been featured on network and cable television since 2004. The Christmas in Ida Festival is a member of the Michigan Festivals and Events Association. For more information: Visit our web site at: www.christmasinida.com. or call 734-269-6017 or 734-269-6175

Employee Recognition for Years of Service

These employees have demonstrated a solid commitment to the success of each student and true dedication to Ida Public Schools throughout their 25 years of service:

Pam Oberski
Food Service

April Paratchek
HS teacher

Deanna Roach
ES teacher

These employees have demonstrated a solid commitment to the success of each student and true dedication to Ida Public Schools throughout their 8 years of service:

Kristin Reaume
HS teacher

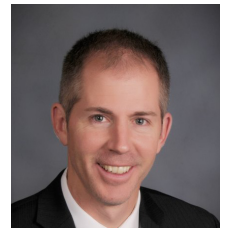

Jamie Simms
Bus Driver &
Gen Ed Assistant

Christi Warner
ES Food Service

Dawn Wobser
LRE Assistant

Rick Carsten
Superintendent

Science Experiments

Students enjoyed science experiments on soil and corn with the Farm Bureau FARM Science Lab. Thank you to Stotz Brothers Farms and the local Farm Bureau group, Modern Producers, for sponsoring this event for our students.

HOMECOMING 2018

Homecoming activities were scheduled early in the football season this year. We had beautiful weather for the parade and crowning of our king and queen.

This year the theme was, "A Night At The Movies." The seniors had Horror, juniors had Comedy, sophomores had Animated, and the freshmen had Action. Congratulations to the Sophomore class on winning the float competition, and to the Junior class on winning the Spirit competition for the week.

At half time of the football game, Faith Hosler and Joe Wirick were crowned homecoming royalty as the 2018 queen and king.

CURRICULUM CORNER

A new state law authorizing the implementation of the Michigan Kindergarten Entry Observation (MKEO) also known as the Kindergarten Readiness Assessment (KRA) beginning in the fall of 2018 required all of our Young 5's and Kindergarten teachers to be trained and administer the new assessment this fall. This assessment is a tool designed by John Hopkins University to measure school readiness of incoming kindergarteners across four domains; language and literacy, mathematics, social foundations, and physical well-being and motor development. Unlike other assessments, this tool is only given once at the beginning of a child's kindergarten school year. Various item types such as selected response, performance tasks, technology enhanced, and group or class observations were used with students over the course of the administration. As with any new assessment, professional learning had to take place, however, Ida Elementary teachers embraced this learning and effectively administered the assessment to all of their students within the allotted time frame. Final reports will be generated in mid-November and shared with Young 5's and Kindergarten parents at the upcoming parent teacher conferences. If you have any questions regarding this new assessment, please feel free to contact the elementary school.

New Teachers

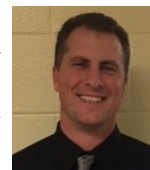

Samantha Steffes - HS teacher

My name is Samantha Steffes, and I am 23 years old. I am the Algebra 2 and Technology for Academics teacher at Ida High School. I graduated from Adrian College in December 2017 as a summa cum laude. I am a member of the Alpha Chi National College Honor Society since I was in the top ten of my class at Adrian. I started at Ida as a long term sub for Algebra 2 in January 2018, and I was officially hired after I interviewed for the full time position in February 2018. I truly love it here, the students make me enjoy coming to work every single day. I have a huge family, including an identical twin, and I love spending any free time I have with them. I was just recently engaged to Joshua Giovannone, and will hopefully be getting married in July 2019. That means next school year I will go by Mrs. Giovannone instead of Ms. Steffes. I have a dog named Rey that I am completely and utterly obsessed with! Being a dog mom to her is so much fun, Rey is such a wonderful dog! Overall, I have such a passion for mathematics, and I am excited that I have been given the opportunity to try and help students gain some appreciation for it as well.

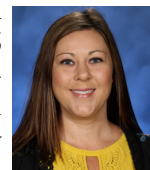

Jeff Potter - HS teacher

I am the new Algebra teacher, and I am in my second year as the head football coach at Ida High School. I have previously taught for 20 years at Bedford High School. My wife, Jennifer, and I have three children, Joscelyn, Justine, and Jaden. We are Michigan Wolverine fans, and we also enjoy the outdoors. We reside in Temperance, Michigan. I am excited to continue my teaching career at Ida.

Lauren Rhoades - HS teacher

My name is Lauren Rhoades and I am a Resource Room teacher at Ida High School. I graduated from Ida and attended Eastern Michigan University where I earned my Masters degree in Special Education. I taught for the Monroe ISD for 12 years, 6 of which were at the Educational Center and 6 years at Monroe High School. My family and I moved to Texas and lived near Houston for the last 2 1/2 years. We are excited to be back in Michigan and I'm happy to be teaching in my hometown of Ida. I have an amazing husband, Steve, and 2 beautiful children, Devin and Ashlyn, who are in elementary school. I enjoy traveling, watching my children in their activities, and spending time with our family and friends.

Gabe Giarmo - HS teacher

I am the new Ida High School Physical Education and Health Teacher! I also have regained my position as the Junior Varsity Volleyball coach, which I previously coached before moving. I was born and raised here in Monroe and like to say I "grew up" when I attended Northern Michigan University for college. I graduated with my Physical Education and English Education Degree. I have taught previously at a couple different schools, most recently moving back from Swansboro, North Carolina with my wife and daughter. I taught elementary P.E./Health and middle school P.E./Health at Swansboro Middle School. I am excited to be back in Michigan and thankful for my job here with Ida Public Schools.

Sarah Ash - Curriculum & Technology Director

Hello, I am the new Curriculum Coordinator for Ida Public Schools. I am coming from Jefferson Schools where I held various positions both in the classroom and in leadership roles as interim curriculum coordinator and interim principal. I graduated from Eastern Michigan University with my Bachelor's and Master's Degrees and then went on to Wayne State University for my Educational Specialist and the start of my Educational Doctorate Degree. In my spare time I love to spend time with my family and travel. My husband and I have two daughters one who is two years old and a new born. I am really looking forward to working with the staff, students, and community of Ida.

Lorra Drefke - MS teacher

I am the new English Language Arts Special Education Teacher. I earned my BA for Language Arts and K-8 education from Siena Heights College and my Special Education, Learning Disabilities MA from Eastern Michigan University. I lived on Ida-Maybee Road until I was six years old, then my family moved to Lenawee County, where I still reside. My husband and I have three daughters. I like to sew, garden, read, and travel when I have the time.

Erik Baldwin - HS& ES music teacher

I am a graduate of Ida High School, and while I was here I enjoyed music more than anything. However, I never thought I would be good enough to do music professionally or in college. Mr. Bennett was my band director for my sophomore, junior, and senior years. He helped me improve my skills and prepare for college. I was thoroughly surprised and excited when I was able to attend Michigan State University to study music education, graduating with a Bachelor's Degree in Music Theory, Composition, and Education. I previously taught at Ida as the Drumline Instructor from 2004 to 2012 and as Elementary Music Teacher from 2010 to 2012 (current 7th grade through 12th grade students that were Kindergarten through 4th grade students when I was teaching in the elementary: you are awesome and it was always my dream to be able to teach elementary students followed by teaching them again when they are in high school. It is incredible to see the growth, excitement, and talent. Stop by to visit and consider joining the band or choir if you aren't already in them!) From 2012 until 2016, I was employed at Taylor Middle/High School in Florida; teaching 6th-12th grade band, choir, guitar, and piano. Most recently, over the past two years, I was a service engineer at Ford Motor Company's Diagnostic Service Center in Allen Park, MI. I kept that position until the opportunity to return to Ida presented itself. I'm thrilled and excited to be here. I look forward to all of the new music opportunities which will be available for Ida students.

Golden Apple Award

The Golden Apple Award is designed to recognize staff for their dedicated service to Ida Public Schools. Selection criteria includes but is not limited to the following: advancement of building district initiatives, innovative teaching strategies, professionalism, advanced technology use, leadership with students, staff or programs, and overall exceptional work.

What the nominators had to say...

Bob Cherry - Director of Building and Grounds, Maintenance
Tony Scott - Groundskeeper

"Bob Cherry and Tony Scott do an outstanding job maintaining the district facilities. They are reliable, hard working, maintain a positive attitude and possess a good sense of humor.

Chris Bennett - HS & MS Band Teacher

"Chris runs the entire band program which is our best extra curricular program in the entire district. He makes it fun for the students while getting the most from each individual. He is always willing to participate in new programs or at new events and he always puts on a great show. He works collaboratively with students, parents, and co-workers."

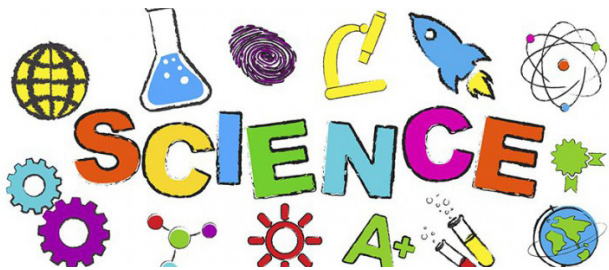

Melissa Huston - ES Gen Ed Assistant

"Melissa is one of our most dedicated assistants at the elementary school. She has done a marvelous job running our lunchroom this year, and is friendly and supportive with the children in the classroom. Melissa is very flexible, and steps up whenever we need help. An example is that she volunteers frequently to help outside with the morning drop-off, when one of the other assistants is out. Melissa is always cheerful and friendly - an absolute asset to our school! "

POW WOW

Kindergarten students recreated a native american social gathering, commonly called a Pow Wow.

6th graders in Mrs. Lana Harmon's science class dissected hearts and lungs.

Readathon

To kick off Reading Month in the Elementary and the Read-a-Thon contest the PTA hosted a door decorating contest. The winners are pictured below. In first place and receiving a \$100 Visa gift card was Mrs. Kamprath's door, "Reading is a Hoot." In second place and receiving a \$20 Panera gift card was Mrs. Hensley's door, "readbox." And, in third place receiving a \$15 Panera gift card was Mrs. Funchion's door, "Hocus Pocus Let Books Be Your Focus." Last year this particular fundraiser raised over \$12,000.

Seniors Nadia Vajen, Lizzie Wirth, and Kayla Muir recently designed and completed this mural in the high school. Every student walks past it on their way to lunch each day reminding them to, "Be The Nice Kid."

Advanced Art students created masks. Pictured are: Rachel Ramsey, Sydney Godfrey, Kayla Muir, Lizzie Wirth, Faith Guthrie, Alec Jarrait, Marie Maenle, Alexia Cicero, Lauren Durocher, Jillian Gelso, Nadia Vajen, Cassie maloziec, and Rickey Sexton.

CARPENTRY

Sophomore Brennen Parrish created this bed frame in Carpentry class.

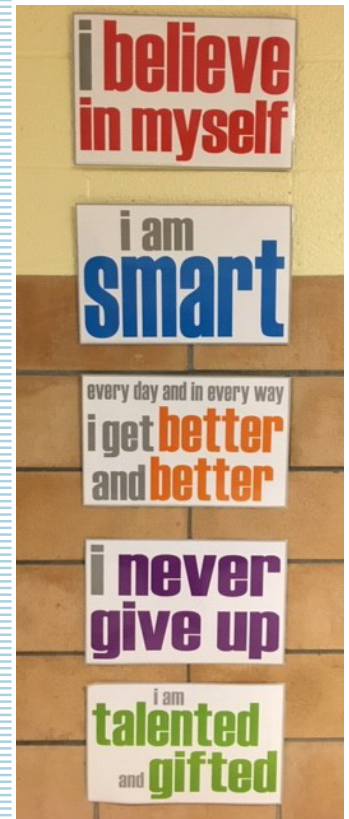

Middle school students supporting our Veterans.

2018-2019

Tuesday, 4/9	M-STEP/SAT test date (All students report to school)
Friday, 4/19	Good Friday - No School
Monday, 4/22	Easter Monday - No School
Monday, 5/27	Memorial Day - no school
Friday, 6/7	Exams begin
Monday, 6/10	Second Semester Exams – ½ day
Tuesday, 6/11	Second Semester Exams – ½ day & Last Day of School

These signs hang outside Mrs. Capling’s door in the middle school, helping to build a positive self image for students.

CLASH

Logan Czapinski and Lana Nowak compete against each other in Clash of the Countries. The project is a year long debate project in Mr. Jeremy Potter’s 7th grade social studies class. Students pick a country and then debate against an opponent attempting to convince a panel of judges the merits of their country. The tournament style debate series culminates with a championship match in June. “I liked learning about the different attractions in Nepal,” said Czapinski, “but it was tough having to get up and talk in front of the class.”

IDA SCHOOL DISTRICT MISSION STATEMENT

THE MISSION OF IDA PUBLIC SCHOOLS IS TO BRING STUDENTS, STAFF, AND COMMUNITY TOGETHER TO MAINTAIN OUR RICH TRADITIONS. WE WILL PROVIDE STUDENTS WITH A SAFE LEARNING ENVIRONMENT, AN EXCEPTIONAL CURRICULUM, SKILLS TO MEET THE CHALLENGES OF THE FUTURE, AND THE MEANS TO BECOME LIFE-LONG LEARNERS.

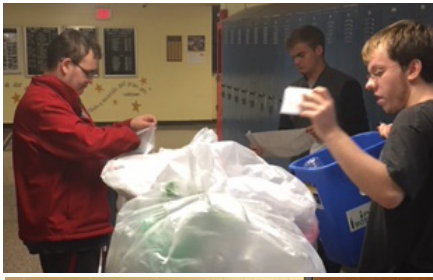

SPORTS SCHEDULES

CLICK ON THE ATHLETICS TAB
ON THE DISTRICT HOMEPAGE
WWW.IDASCHOOLS.ORG

The speed limit on Ida Public Schools’ property is 15 MPH. Please help keep our children safe by abiding by the limits. The limits were instituted by an Ida Township Ordinance and can be found in the student handbooks. Penalties and punishments for violations can occur.

Students from Mrs. Robert's class, Dante Guernsey and Evan Baker, along with their LINK Sam Brettschneider, run our Recycling program called TREE (The Real Environmental Effort).

MCKINNEY-VENT HOMELESS EDUCATION ASSISTANCE ACT

The McKinney-Vento program is designed to address the problems that homeless children and youth have faced in enrolling, attending, and succeeding in school. State education agencies must ensure that each homeless child and youth has equal access to the same free, appropriate public education, including a public preschool education, as other children and youth.

Do any of the following situations apply to you?

- In a shelter, motel, vehicle, or campground
- On the street
- In an abandoned building, trailer, or other inadequate accommodations
- Doubled up with friends or relatives because you cannot find or afford housing

If so, Please contact one of our school counselors for assistance

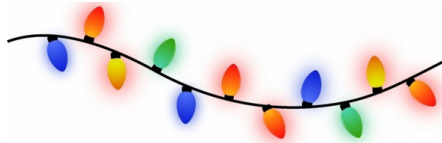

Elementary School - Donna Banker

Middle School - Jen Butz

High School - Kelly Riley & Karen Wagner

No time for Breakfast at home? We've made it easy for your child to enjoy a healthy breakfast at school. Student breakfast is proven to improve student behavior, test scores and attendance, so don't let your child miss out on the most important meal of the day! Breakfast is served in all three building cafeterias from 7:45 a.m. – 8:00 a.m. The cost is \$1.40. Students with free or reduced benefits are able to take advantage of the school breakfast program also. The cost for a reduced breakfast is \$.30 and no charge for free meal benefits.

"GAKAC"

Fundraising efforts are getting underway in all three buildings for the annual "Give a Kid a Christmas" program. Members of the community are also invited to participate. Donations of gift cards, toys, cash or checks made out to Ida High School can be dropped off in the high school office. It is also possible to adopt a family for Christmas. Please contact Jen Muir, one of the program coordinators, at 734.755.5218 for more information.

Once again we will be selling food items during Christmas In Ida on Saturday, December 1st, noon till 8 p.m. at the Township Hall. Items for sale include: chili, hotdogs, nachos and cheese, hot coco, coffee, pop, chips, and baked goods. All proceeds will go to our school program "GIVE A KID A CHRISTMAS!" We cannot do this without your help.

Teachers at Ida Public Schools strive to create quality classrooms that benefit students and raise achievement. The exciting news is that with the help of technology,

teachers are able to extend quality classrooms beyond the four physical walls of a traditional building. Microsoft Office 365 Teams and Google Classroom are two web-based platforms that help to make this possible. These platforms are being utilized to create paperless classroom environments that allow teachers to have instant access to student work and manage every aspect of the classroom workflow digitally. Because the platforms are web-based, students not only have access to their work at school, but they also have access at home or on the go. Since both platforms offer various strengths, middle school computer classes, for example, incorporate both Office 365 Teams and Google Classroom. This capitalizes on the power of each product while exposing students to multiple technology tools and applications. With these applications, middle school computer students have communicated and shared ideas digitally, created slideshows, designed websites, formatted documents, taken quizzes, and even produced online drawings. This innovative new way to deliver and receive classroom content promotes career and college readiness for students. Office 365 Teams and Google Classroom – online classroom environments that provide 24-hour a day instruction!

2018-2019 Board of Education Meetings

At their annual organizational meeting, the members of the Ida Board of Education established meeting date, times, and places for Fiscal year 2019. Twelve of the regularly scheduled meetings will be conducted on the second Monday of the month. All board meetings will begin at 7:00 p.m., and will be held in the high school library, unless the Board of Education determines a more appropriate site is available.

December 10, 2018	Regular Business Meeting
January 14, 2019	Regular Business Meeting/ Second Annual Organizational Meeting First Review of 2018/2019 Budget
February 11, 2019	Regular Business Meeting
March 11, 2019	Regular Business Meeting
April 8, 2019	Regular Business Meeting
May 13, 2019	Regular Business Meeting
June 10, 2019	Regular Business Meeting
June 24, 2019	Regular Business Meeting/ Uniform Budget Meeting/ End of Fiscal Year
July 8, 2019	Annual Organizational Meeting/ Regular Business Meeting

Emergency School Closings & Delays

When school must be closed or starting times delayed due to inclement weather or other conditions, a Honeywell Instant Alert will be sent. In addition the following radio and television stations are notified.

Radio

WTWR - 98.3 FM
WSPD - 1370 AM
WCWA - 1230 AM
WICT - 104.7 FM
WRVF - 101.5 FM
WVKS - 92.5 FM

Television

WTVG (TV-13)
WTOL (TV-11)
WDIV (TV-4)
WNWO (TV-24)
WXYZ (TV-7)

Announcements on the radio and television will be made between 6:30 a.m. and 7:00 a.m., if at all possible. Busses will be delayed for up to two (2) hours in the morning if fog or other inclement conditions prevent drivers from making their regular runs in a safe condition.
